NOTE FOR LT COL ADDISON

There are two recently constituted committees with which Mr. Plummer may have a direct involvement. They are

1. The Intelligence Resources Advisory Committee (IRAC). He may be invited by the chairman to attend meetings as an advisor, whenever appropriate.

2. The Research and Development Council of the IRAC which is chaired by Dr. Currie. For matters affecting the NRP, either Mr. Plummer or myself will be in attendance.

NOTE FOR COLONEL ADDISON

Here is a listing of boards and committees on which the DNRO sits:

He is a member ex officio of the NRP Executive Committee. The Agreement for Reorganization of the National Reconnaissance Program, August 11, 1965, para D 1 specifies the membership of the NRP Executive Committee. This is no longer current, however, because the DCI currently chairs the ExCom and the ASD(I) is the only other member. Para D 1 says that the DNRO will sit with the Executive Committee but not be a voting member. The duties of the DNRO are more fully explained in para E 2.

The DNRO sits with the USIB for matters affecting the NRP (reference para E 2 g of the August 11, 1965 Agreement).

The DNRO sits as a member of the National Security Action Memorandum 156 Committee. This committee seldom meets, and most actions are handled by the Working Group.

The DNRO is the Chairman of the Interdepartmental Contingency Planning Committee. For practical purposes, the ICPC principals do not hold formal meetings but act individually when needed. Staffing and coordination is handled by the Secretariat, which is headed by General Kulpa.

You will find the August 11, 1965 Agreement and committee membership in the Key National Reconnaissance Program Documents book which we recently forwarded to Mr. Plummer.
